Researcher, Jake Morphonios, discovers that, when Donald Trump was in bankruptcy after the US real estate crash of the 1980s, just before he was about to lose everything, he was bailed out by Rothschild Inc. and, thereafter, became social and personal friends of the Rothschild family. Morphonios claims that Trump now is serving the financial interests of the Rothschild global enterprise, especially in the Middle East where the US engages in wars that, covertly, are waged to bring oil resources under the control of Rothschild oil companies. Wilbur Ross, a former senior managing director at Rothschild Inc., was appointed by President Trump to be the Director of the US Department of Commerce, a position that is a source of 'suggestions' for US policy in such matters.. [If Morphonios is correct, this would be reminiscent of the maneuver by which the Rothschilds, acting through the Bank of England, bailed out J.P. Morgan during the Wall Street Panic of 1857 and, thereafter, became the hidden controllers of the Morgan banking dynasty. For that story, see [Creature from Jekyll Island](#), pp. 407-419.]

Offline is a documentary on the inevitability of the Earth being slammed by a mega solar flare – not the common type that interrupts communications and creates a light show in the Northern skies – but the big brothers thousands of times more powerful. These monsters deliver enough energy to blow apart the master transformers that supply the planet's energy grids. When that

happens, the lights go out for longer than anyone wants to think about. These X-Class solar storms hit the Earth every 150 years, on average. The last one arrived 156 years ago. We are overdue (**More**)

Jake, thanks for an informative video. I had hope in Trump until the last month and then realized he was compromised in some way, esp with the Syrian attack. My question is, if Trump is a puppet of the Rothchild's all along, (which I am now beginning to believe) why does the Deep State hate him so much and determined to impeach him, why the msm (which is controlled by the Deep state CIA) constantly demonizing him 24/7? Is this all a 'divide and conquer' theatre to keep us on the edge of our seats? Is the Mueller Russian Collusion... [Read more](#) »

This is what we've been waiting to find out: Who is BEHIND Trump. Some say the Russian Mafia. But it's more like some financial interest. After all, he's a gangsta businessman from NYC! IMO, the problem

isn't how the Rothschild's control the corporations through 'bail-outs'. That's minuscule compared to controlling a nation. The problem is that these Rothschild's are MERCHANT JEWS. The MERCHANT JEW is the caste who took-over EVERY MAJOR NATION since the time of Jesus Christ. They did (and continue to do) it through BANKING AND FINANCE. Although "The Creature from Jekyll Island" is an intriguing and interesting... [Read more »](#)

Chris, you haven't gone high enough up the power structure. The "merchant jews" are a few sell outs who manage the money interest of the Vatican's beast system, and keep the spotlight off of the pope as the antichrist, a belief that was held by biblical scholars until 100 yrs ago—when the "ecumenical movement" started. All roads still lead to Rome...

Liz, Thanx for your comment. I have to disagree. I formerly believed like you say, b/c it's what I read from 3rd parties (like GEG, etc.). But it's either not ancient history or just plain propaganda. What I'm telling you is what I read of the LEGAL HISTORY of the actual LEGAL PROCESS that occurred in each of the Merchant_Jew-conquered nations. Rome is a perfect example. Vatican Rome operates under LOMBARD LAW. So does Germany (Luther figured this out by the end of his life, which is why her wrote, "The Jews and

Their Lies”). The ORIGIN of the
“form... [Read more »](#)

All well and good to know these facts –
Thank you Liz and Chris for your
exposure and references. I believe that
both the Merchant Jews and those who
have taken over the Vatican hierarchy
are all players in this evil Babylonian
Money Empire that we have inherited,
and that the ultimate author and
creator of this system is Satan himself,
merely manipulating the power
structure of the world which he has
been given dominion over. The power
play goes back through all time, with
the occult and those practicing it being
the manipulators throughout history.
